Kindergarten Immunization Requirements

Colorado law requires children in school to have an immunization record on file and to have the required immunizations. Immunizations protect our children from disease. If your child cannot receive immunizations because of medical reasons or because you have a religious or personal reason to exempt your child, the exemption line on the Certificate of Immunization must be signed the exempted vaccines must be listed. This certificate is available at the schools.

Following are the required immunizations for entering Kindergarten:

- 5 **DTP**
- 4 **POLIO**
- 2 **MMR**
- 3 **HEPATITIS B**
- 2 **VARICELLA** (or written verification from your doctor if your child has had the disease)

Please give your child's immunization records to the office.

Thank You.

MMR & VARICELLA - 1st Shot must be given after 1st Birthday
