Register Online! Science Fair
Registration Form
DUE: Friday, February 3, 2012

We ask that everyone register online with the Google form. There are 3 different ways to get there:

1. Click on this link: http://bit.ly/rrh9ZQ, or type it directly into a browser (case sensitive – type in exactly how you see it above)
2. Link to the website from the email you received
3. Link to the website through the Burlington Elementary website

If you are unable to use the online form, please fill out the form below:

Fill out this form neatly so that it can be read. There is a box for each letter or space in your title and name. If there are not enough boxes, figure out how to shorten the name. If more than one person is working on the project, check YES and give partner's name.

IMPORTANT: If this form is not turned in on time, you will not be allowed to enter the science fair. If we cannot read this form, you may not be allowed to enter the science fair. Get help filling out the form if you need it.

Project title:														
Student's full name:														
Grade:					Teacher:									
Do you need an electrical outlet for your presentation?									YES		NO			
Working with a partner?									YES		NO			
If YES, fill in partner's FULL NAME
